Academic Programs – Student Progression Plan (SPP)
Provides guidance to teachers, school and district administrators, parents and other stakeholders regarding the requirements and procedures for students to progress from one grade to the next, kindergarten through grade 12 and adult education. The information presented in this document is derived from requirements set forth by Florida Statutes, State Board of Education Rules and Policies established by The School Board of Miami-Dade County.

Bring Your Own Device (BYOD)
Bring Your Own Device allows students, parents, staff and guests to use their own technology during the day to enhance the learning experience. Examples of the types of technology which can be used are Windows laptops/tablets, Mac laptops, Android tablets, and iPads.

Closing of School
The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

Community School Program
The Community School Program offers an opportunity for the public-school system to determine the needs of the community and provides a mechanism to meet those needs. The curriculum of the Community School Program is as wide and varied as the needs of the community it serves. Community schools provide programs that are funded by fees, tuition, grants, and donations, on community school sites, in adult centers, in satellite programs, and at off-campus, non-public school locations throughout Miami-Dade County.

Each of the 39 Community Education Centers offer classes for individuals of all ages, skill levels and language capabilities. Students enrolling in language or computer classes have the opportunity to enhance the job skills needed to satisfy the demands of today’s world. Annually, thousands of people have taken advantage of these recreational and educational opportunities, and if an individual or group wants to acquire a specific new skill, Miami-Dade County Public Schools can work with each to create a class that suits the needs of all interests.

For more specific information on Miami-Dade County Public Schools Community Education and Before and After School Care programs or Middle School Enrichment After School programs, please log on to our website at www.dadecommunityschools.net or please call Mr. Victor Ferrante, Executive Director at 305-817-0014.
Dismissal

- **Bicycles/Skateboards**
  Bicycles may only be secured on the bicycle racks located in the front of the school. Bicycles may not be secured to fences or any other structures. Skateboards are not allowed on campus.

- **Student Drop-Off / Pick-up**
  Parents may drop-off/pick-up students in either the bus loop or the main parking lot.
  - Both the bus loop and parking lot drop off are NO PARKING ZONES.
  - To minimize traffic backups, only a brief stop to allow the student to enter or exit the vehicle should be made.
  - Parents should not get out of the car in the Drop-Off/Pick-Up lines.
  - Parents who need to exit the vehicle must park their car in a designated space in the parking lot.

Elevator
The school elevator is to be used by individuals who are handicapped/injured and cannot use the stairs. Students must obtain permission from the administration before using the elevator.

Emergency Contact Information
Emergency Student Data Forms are distributed during the first week of school. Students are expected to bring the forms home and present them to their parents/guardians. The form must be carefully completed and returned. The information provided on the Emergency Student Data Forms will enable school staff to contact the parent/guardian immediately in the case of an emergency. Parent/Guardian(s) that provide a cell phone number will receive text messages should an emergency arise. Students may only be released from school to the persons listed on the form after presenting a picture identification. No persons, other than school staff, will have access to the information submitted.

Fieldtrips
All fieldtrips must be approved by the principal and Region Superintendent. Participation in fieldtrips requires that the student present a fieldtrip form signed by the parent/guardian to his/her teacher(s) in advance. In addition, at times vendors who have a “no refund” policy will require schools to pay the full amount of the fieldtrip prior to the event. In this case, students/parents will be notified in advance of the vendor’s “no refund” policy.

Jose Marti MAST 6-12 Academy offers two types of field trips and activities: academic and incentive. All students are encourage to attend these activities, however participation is a privilege. It is expected that students abide by the Student Code of Conduct and all school rules. If a student does not abide by all set rules, any or all of these privileges can be taken away.

For academic field trips: the teacher organizing the event is responsible for selecting the students that may attend.
For incentive field trips: students must be in good standing both academically and behaviorally. Students who receive a behavioral referral to an administrator may be placed on a Stop List which will prohibit their participation in any incentive activities for the remainder of the school year.

Flu Vaccine

Miami-Dade County Public Schools has partnered again with Healthy Schools, LLC for the 2018-2019 school year to provide FREE flu vaccines to students enrolled in M-DCPS. This years’ “TEACH FLU A LESSON” student vaccination campaign will begin September 11 thru October 11. Each school will have a specific clinic date.

Parents/guardians have the option of providing consent through the Parent-Portal using their digital devices or complete a paper consent form. Parents/Guardians MUST provide consent if they want their child to receive the flu vaccine. Parents/Guardians should contact their child’s school to determine when the flu vaccine will be offered at their child’s school.

Plagiarism

Webster’s dictionary defines plagiarism as the act of using another person's words or ideas without giving credit to that person. We here at José Martí MAST 6-12 Academy are encouraging the formulation and creativity of thoughts and ideas. As such, it is prohibited for students to engage in any plagiarism. Consequences for submitting another person’s work as their own will range include an “F” or 0% on the assignment, suspension (depending on the severity of the infraction), and immediate dismissal from all Honors Societies that the student is a member of.

Academic Probation

All students at Jose Marti MAST 6-12 Academy are required to meet certain academic, conduct, and attendance criteria in order to be admitted to our school. Once enrolled, students are expected to maintain the same high standard of academics, conduct, and attendance. Failure to meet the minimum requirements will result in a student being placed on Academic Probation for the following nine week period. Any student who remains on Academic Probation for two or more nine weeks will not be invited to return to Jose Marti MAST for the following school year. Students with serious academic, conduct, or attendance issues may be asked to transfer to their home school in the middle of the school year. All students are required to submit a signed copy of the
Requirements to Remain in Good Standing in order to participate in any extracurricular activities. The form may be obtained and downloaded on our website at www.mast3.com or upon request for our main office. This form certifies that both parent and student are aware of the academic, conduct, and attendance requirements at José Martí MAST 6-12 Academy.

**Conduct**

Conduct grades are to be used to communicate to both students and their parents the teacher’s evaluation of a student’s behavior and citizenship development. These grades are independent of academic and effort grades.

**5-point Rule**

In authorized annual courses, the student’s final grade is determined by the teacher as follows: 25 percent for each of four nine-week grading periods. This equates to ten points required to pass an annual course using a 4.0 scale. Students in grades 9-12, in order to pass an annual course must earn a minimum of 10 grade points, five of which must be earned in the second semester.

**Homework**

Principals are encouraged to work with teachers and parents to implement guidelines found in Homework Policy 2330. Teachers are required to provide students with make-up assignments once the absence has been excused; however, it is the responsibility of the student to request the assignments from the teacher(s).

- No assignment, homework, or project will be accepted after the designated due date by any teacher at Jose Marti MAST 6-12 Academy.

**Interscholastic Athletics/Intramurals** (Middle School Only)

The Division of Athletics, Activities and Accreditation works with M-DCPS school sites to provide students with opportunities to participate in athletics at various levels. Athletic programs are offered at K-8 Centers, middle schools and high schools. At the middle schools, athletics consists of intramural and interscholastic programs. At the high school level, interscholastic programs are offered at most senior high schools.

For participation in interscholastic athletics at the middle school level, a student must have a 2.00 GPA in conduct and academics to participate. His or her parent must sign the M-DCPS Middle School Athletic Program Consent and Release from Liability Certificate. For participation in interscholastic athletics at the high school level, a GPA of 2.00 in conduct and academics is required except for incoming freshmen. All participants must purchase athletic and/or football insurance to participate and must have a current physical form on file.

A home education student must register his or her intent to participate in interscholastic extracurricular activities as a representative of the school before participation.

The parents and student must also sign the Contract for Student Participation in Interscholastic Competitions or Performances. The District also has policies concerning transfer students and
participation in athletics. If a parent has questions concerning these policies, he or she should contact the Division of Athletics, Activities and Accreditation.

- **Free/Reduced Price Lunch Program**
  The USDA Child Nutrition Programs as administered by Miami-Dade County Public Schools provide free and reduced priced lunch for children unable to pay the full price. In place of the paper application, School Meal Program Brochures are distributed to all students informing parents on the application process and meal program. Parents are encouraged to complete an online application at the Department of Food and Nutrition at freelandreducedmealapp.dadeschools.net. Paper applications are available in the school front office upon request. Many students are approved through Direct Certification and do not submit a lunch application. If you have a concern about an issue in the classroom or student grades in a class, please attempt to speak to the teacher first. All teacher email addresses are found on the school's website www.mast3.com. Parents may also leave messages for teachers via the school secretaries.

The Assistant Principal, Ms. Sofia Buttacavoli, may be contacted as follows: 305-557-5931 #2231 sbuttacavoli@dadeschools.net

The Principal, Mr. Jose Enriquez, may be contacted via email at jenriquez@dadeschools.net or by calling his secretary, Mrs. Sonia Martinez at 305-557-5931 #2201

The North Region telephone number is 305-572-2800.

Safety and Security

- **Code Yellow/Code Red**
  In the event of an emergency, the primary responsibility of all school personnel is to provide for the safety of all students. In the event a school administrator announces a possible threat to students and staff safety exists within the community (Code Yellow), or an imminent threat to students and staff safety exists within the school (Code Red) students, faculty and staff will comply with all the procedures outlined in the Miami-Dade County Public Schools Critical Incident Response Plan and remain on lockdown until a school administrator makes an “All Clear” announcement.

- **Emergency Operations Plan**
  Student and employee safety is a primary concern of the Miami-Dade County Public School (M-DCPS) System. The Emergency Operations Plan (EOP) was created to provide school personnel with the necessary leadership skills and knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:
  - Remain calm;
  - Monitor media outlets for updates and official messages from M-DCPS;
Do not flood the school with telephone calls; and
If the school is on lockdown, wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all M-DCPS Police officers have been adequately trained in the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

BeSafe Anonymous Reporting System (Insert Flyer)
http://hoover.dadeschools.net/portable_doc/68128_Be_Safe_Anonymous_Reporting_System_Flyer.pdf

• **Fire Drills**
  Ten fire drills will take place during the school year according to the Miami-Dade County Public Schools Policy and Emergency Procedures. At the sound of the emergency bell, students must stop what they are doing and follow the teacher’s instructions. Students must clear the building promptly by the prescribed route. Any student who is in the hallway or the restroom at the sound of the emergency bell must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

• **Visitors**
  Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome and tours may be arranged to view the school. Classroom visits require a 24-hour notice. Visitors must first register with security at the main entrance, sign-in, produce photo identification, and then proceed to register in the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

**School Activities/Clubs**
All School Activities, clubs, and organizations must be approved by the principal and conform to the district policies 5845 - Student Activities, 5830 - Student Fundraising and 9211 – Parent Organization, Booster Clubs, and Other Fund-Raising Activities.

• **Clubs**
  Miami-Dade County Public Schools’ students may participate in a wide variety of activities, including student council, subject-area clubs, honor societies, service clubs, school publications and class activities. School-sponsored clubs may be curriculum-related or noncurricular-related.

  Curriculum-related clubs are student groups whose goals are an extension of the activities and objectives in a particular subject area within the school's curriculum. Conversely, noncurricular-related clubs are student groups whose goals are special interest oriented
and not directly related to the curriculum. Meetings of noncurriculum-related clubs may be scheduled only at times when instruction is not taking place, either before or after school.

- A list of School Clubs is available at [www.mast3.com](http://www.mast3.com) in the Students section.

**School Class Picture Process**

The school class picture monies will no longer be collected by school staff for this activity. Collection of monies will be conducted by the photographer and/or photographer’s staff.

At no time, shall a staff member, parent, volunteer, or member of a school-allied organization such as the PTA handle school class picture monies.

**School Transportation**

Miami-Dade County Public Schools will transport more than 60,000 students a day this school year, using a fleet of 1,300 buses on nearly 1100 school-bus routes. The service is for students who live more than two (2) miles from their assigned school and for special needs students.

Before school begins, parents/guardians of all students eligible for bus transportation will receive a post card from the school district identifying the student's bus stop and times of pick-up and delivery. Information on student bus assignments will be posted on the Parent Portal at [www.dadeschools.net](http://www.dadeschools.net). The information on bus assignments on the Parent Portal is updated each night. Parents/guardians are encouraged to check the Parent Portal throughout the school year to obtain the most current information on their children’s bus assignment.

*Jose Marti MAST 6-12 Academy is a School of Choice. Thus, transportation is not provided by Miami-Dade County Schools to our location.*

**Special Education**

The School Board of Miami-Dade County ensures that all students suspected of having a disability are identified, evaluated, and provided appropriate, specially designed instruction and related services, if it is determined that the student meets the state's eligibility criteria and the parent/guardian consents to initial placement.

As the parent/guardian of a child with disabilities, you are a very important member of the team that plans your child's education. Be informed and get involved. If you have any questions, please contact your child's school. Staff from the special education department and your child's student service provider will help to answer your questions. Additional information may also be found at [http://ese.dadeschools.net/](http://ese.dadeschools.net/).
Student Records
Parents, guardians and students are protected by The Family Educational Rights and Privacy Act and the Florida Statutes from individuals’ access to information in students’ educational records and are provided the right to challenge the accuracy of these records. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders. Each school must provide to the parents, guardians or eligible students annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.

A student enrolled in an Advanced Placement (AP), International Baccalaureate (IB), or Advanced International Certificate of Education (AICE) course who takes the respective AP, IB, or AICE assessment and earns the minimum score necessary to earn college credit, as identified in s. 1007.27(2), meets the requirements of this paragraph and does not have to take the EOC assessment for the corresponding course.

Student Services
The program structure supports educational reform initiatives and takes into consideration current social climate and the unique issues faced by the multicultural/multilingual populations enrolled in Miami-Dade County Public Schools.

Student Success Centers
The Student Success Centers provide an educational setting and safe-haven for referred students (ages 11 and older) exhibiting Level III-IV behavior and (with Region approval) habitual Level II infractions of the Code of Student Conduct.

Toolkits
- Back to School Toolkit  http://toolkit.dadeschools.net/

Transgender
The School Board of Miami-Dade County has adopted comprehensive anti-discrimination and anti-bullying policies that require all students be treated with respect regardless of their unique characteristics, including sexual orientation or gender identity. Every student has the right to learn in a safe and accepting school environment and schools have a responsibility to provide a safe and nondiscriminatory environment for all students, including transgender and gender nonconforming students.

These guidelines are intended to promote a positive, proactive approach that upholds and protects the rights of transgender and gender nonconforming students; and best practices to ensure that transgender students and gender nonconforming students have equitable access to
all aspects of school life (academic, extracurricular and social) in ways that preserve and protect their dignity.

**Code of Student Conduct**

- **2451 - ALTERNATIVE SCHOOL PROGRAMS**

- **5136.02 - Sexting**
  - Sexting is the act of sending or forwarding through cellular telephones and other electronic media sexually explicit, nude, or partially nude photographs/images. [add something about disciplinary measures] It is the District's mission to ensure the social, physical, psychological, and academic well-being of all students. The educational purposes of the schools are best accomplished in a climate of student behavior that is socially acceptable and conducive to the learning and teaching process.

- **5500 - STUDENT CONDUCT AND DISCIPLINE**
  - The Miami-Dade County School Board Code of Student Conduct (COSC) focuses on providing and maintaining a safe and positive learning environment for students, faculty, staff, and community.
  - A major consideration in the application of the Code of Student Conduct is cultivating a positive school climate to support academic achievement, promote fairness, civility, acceptance of diversity, and mutual respect. Toward that end, the range of inappropriate behavior is divided into five groups, along with both recommended and mandated corrective strategies.
  - The Code of Student Conduct addresses the role of the parents/guardians, the students, and school, but also focuses on core values and model student behavior, rights and responsibilities of students, addressing student behavior, and disciplinary procedures. Furthermore, teachers, counselors, and administrators work to use a variety of progressive corrective or guidance strategies to correct the inappropriate behaviors.
