Our Book Fair has a new digital payment option!

No cash on hand the day of the Book Fair? No worries – Scholastic Book Fairs® is now offering an eWallet payment option.

Simply set up an account and have funds immediately available for your child to shop the Book Fair. Safe and secure – it's easy shopping with eWallet.

How it Works:

To get started, visit our school's Book Fair homepage:

<http://www.scholastic.com/bf/jmmast18>

- eWallet is NEW and is a secure, cash-free way to shop at the Book Fair.
- Parents create an account for their child and set a spending limit.
- Students use their eWallet to shop at the Book Fair.
- There is NO fee to create an eWallet.
- Visit the book fair website and scroll down the page until you find the eWallet link: <https://bookfairs.scholastic.com/bf/jmmast19>
- There is a \$10 minimum to set up the account. Use a credit card to purchase the desired amount your child is allowed to spend. If your child does not spend all the money, you will receive a credit back to your credit card at the end of the book fair.
- If you have more than one child in the school, you will need to create a separate eWallet for each child.
- You can add additional funds to the eWallet at any time during the fair.
- Setup your eWallet account beginning September 13, 2019.
