

SCHOOL CLOSURE STUDENT CHECKLIST - SECONDARY

If your school closes, it is important that you are prepared to continue your studies at home. Review the checklist below so you know what to do before your school closes, while it is closed, and after it reopens.

WHAT TO DO BEFORE YOUR SCHOOL CLOSURES

- Let your teacher know if you need a computer at home to complete assignments.
- Listen carefully to any instructions from your teacher about what work you will need to do while your school is closed. Complete the chart below.
- If you received a mobile device, you must log into the device with your portal username and password at school before going home. **(This must happen, or the mobile device will not work at home.)**
- Fill in the chart below so that you are prepared to continue learning during the school closures.

WHAT TO DO ONCE YOUR SCHOOL HAS CLOSED

- During the time your school is closed, you should continue learning by completing assignments and tasks, as assigned by your teacher. The chart below shows the programs available for each subject area.
- Instructional assignments should be done every day.

AFTER YOUR SCHOOL REOPENS

- If you checked out a mobile device for use at home while your school was closed, you should return the mobile device to your school.
