FAQ- *Why is the PSAT important?*

- The PSAT will help students practice for the SAT exam that you will need to take for college admissions.
- Juniors who take the PSAT may qualify for the National Merit Scholarship based on their scores.
- Sophomores take it so they have experience with the test before their score counts for this important scholarship!

A guide that tells you more about the test (including sample questions and tips on how to answer them) and the National Merit Scholarship can be found here:
