

EOC Testing

Students!! We will be offering EOC testing for students who were unable to take an End of Course exam last year. Students who took 11th grade US History, Geometry, and/or Biology will be able to take their exams over the next few weeks on specific days. All students should complete the form regardless of whether or not you plan to test. **DO IT NOW BEFORE YOU FORGET. No extensions to the deadlines will be given as a test must be created for you.**

FAQ- ***Do I have to take the exam?*** The answer is No. HOWEVER, in order to qualify for a Scholar Designation on your high school diploma, you must pass all of your EOC exams. Students who do not pass all their EOCs earn a Merit Diploma instead. Typically, at least 80% our graduating classes earn the Scholar Designation and their names are listed in the Graduation program as having received the honor. If you choose not to take an EOC exam now, you are eliminating yourself from that award. **Be sure your parents are ok with that!!**

FAQ #2- ***Can I take the exam in May?*** **No!!!** In May we will need to test all of the students who are currently taking EOC classes. We will not have the space to offer testing for students who took classes last year. It is possible that you will be able to take it next year (except for Seniors who need to take the US History exam of course!), but the longer you wait the harder it will be to pass the EOC!

Test Dates:

US History: PHY—Jan 11 or Jan 12	MSO—Jan 12 or Jan 13	Deadline to register— Thurs, Jan 7 at noon
Geometry: PHY—Jan 14 or Jan 15	MSO—Jan 19 or Jan 20	Deadline to register— Mon, Jan 11 at noon
Biology: PHY— Jan 21, 22, or 25	MSO—Jan 27, 28, or 29	Deadline to register— Mon, Jan 11 at noon
