August 23, 2021

Dear Students,

Welcome to the 2021-2022 School Year at Jose Marti MAST 6-12 Academy, **Where Learning Means More Doing.** Did you know that our school is currently ranked as a Top 100 of America's Best High Schools according to U.S. News and World Report? That statistic is amazing! As we continue to recover from one of the biggest pandemics in history, I am very confident that you will be resilient. In addition to working rigorously in your classes, I strongly encourage you to participate in extracurricular activities such as joining a club, participating in our Educational Excellence School Advisory Council (EESAC) or getting involved with our Student Council. (SGA)

Below, I have outlined our basic school rules and some key "tips" to help you improve your performance in school. The most important rule is **taking responsibility for your own learning.** This rule involves continuously monitoring your grades online and making adjustments along the way to perform at your very best.

School Rules

Be Punctual!

Be Respectful!

Complete all Assignments!

Have a Positive Attitude!

Take Responsibility for your Own Learning!

Tips for Success

Keep up with your daily assignments

Organize your papers by subject and always come to class prepared

Develop a schedule/Calendar to complete long-range projects/assignments

Ask questions when you don't understand

Write assignments down

Take notes in class and put dates on all papers

On behalf of the entire faculty and staff, we are looking forward to working hand in hand with all students to make this school year one of the best.

Sincerely,

Jose Enriquez
Principal
