<u>PARENTS:</u>

It is strongly suggested that all parents at JM-MAST have an email address on file as communication is often sent to parents via email. Free email accounts can be created on sites such as yahoo.com, gmail.com, etc.

In addition, all parents should create a parent portal account in order to monitor student grades through the online grade book. If you need assistance creating a portal account, please contact Ms. Malik in the main office once your child begins classes with us.
