

All students enrolled in **AP Statistics for the 2024-2025 school year** will complete the following assignments by the due dates listed below. These Khan Academy assignments align to a majority of topics in Chapter 1 of our textbook, **The Practice of Statistics, 6th Edition Updated.**

Summer assignment grades (for quizzes and unit tests) will be recorded and count for the first quarter of the 2024-2025 school year.

- Join **AP Statistics Summer 2024 Assignments** class using this link:
<https://www.khanacademy.org/join/MY8JK7TN>
 - If you already have an active Khan Academy account, you MAY also join this class by using the code **MY8JK7TN**
 - Please join the class by 11:59pm on June 7, 2024. If you join later, you must send an email to akearns@dadeschools.net to let me know so I can update the assignment roster.
