

Drop-Off and Pick-Up

BUS LOOP– you must come from the south to enter the Bus Loop. The road is divided with a median so there is no way to enter if you are coming from the north.

PARKING LOT– you can enter the Parking Lot on W. 24th Avenue from the North or South. Please keep traffic going in one direction around the lot to avoid accidents.

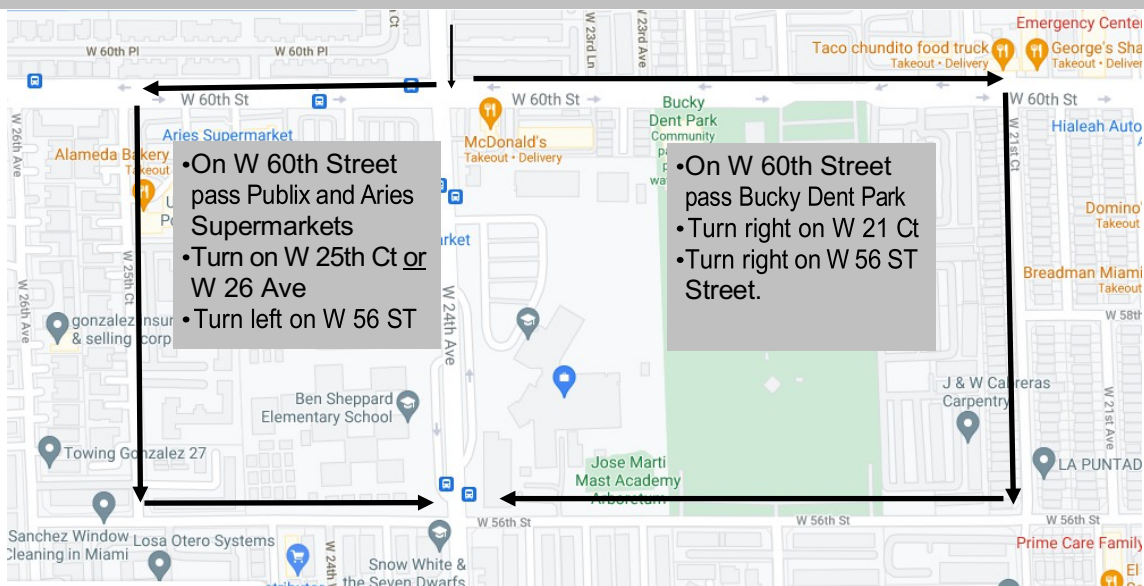

EXITING Drop-Off - All traffic must go North on W. 24th Avenue when exiting the Bus Loop or Parking Lot.
NO LEFT TURNS!

When using the Parking Lot Loop, do not block the flow of traffic. Cars must keep moving and follow the loop pattern. Do not drive in between the parking spaces.

We recommend that parents use the Bus Loop if possible. There are fewer cars using the bus loop so it is much faster! If you are coming from the North, you can circle the block and enter the Bus loop on the south side of the school. Go around the Block that includes Bucky Dent or around the block with Publix and Ben Sheppard! Either way will work.

Turn on to W. 24th at the light and you will see the entrance to the loop.
