The Scholar's Spellbook: Completing Assignments with Precision

Your child should:

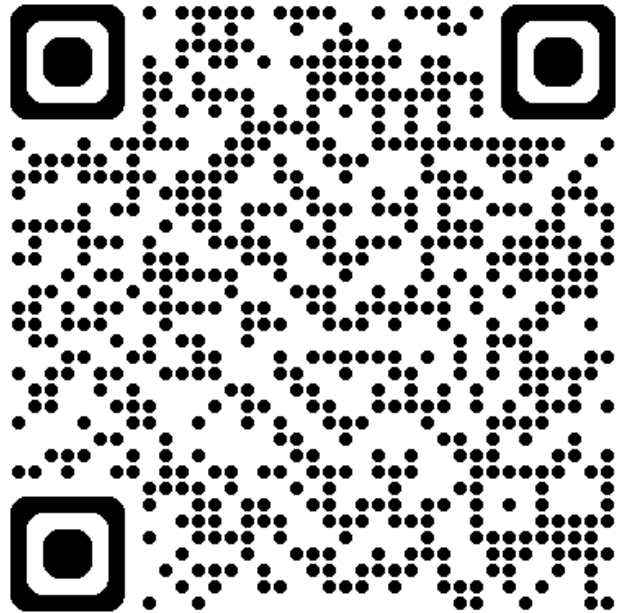

- Refer to composition notebook when completing the assignment.
- Access Virtual Nerd Videos and Examples from assignment when needing to review.
- Complete the entire assignment and submit each assignment.
 - Access “***View an example***”
- Show work for each problem.
- May re-do assignment by clicking on “***Similar Question***” to earn a higher grade before the due date and time.

Your child may struggle with the content...it's normal.

Attendance Policy

- Students learn best by attending class in-person.
- If a student is absent with an excused note, the student may make-up the work according to the student handbook.
- It is the student's responsibility to complete the assignment(s).
 - Students should submit the completed assignment within three days of their return to school.
- Until the work is completed and turned in, a grade of a Z will be placed in the grade book.
